CONVENTION AUCTION SALE

Conducted by

*Stack's*

12 WEST 46th ST., NEW YORK, N. Y.

## *Announcing With Pleasure*

The opening of *STACK'S AUCTION GALLERIES* in our building, located at 12 West 46th Street, on or about September 25th.

We are expanding our present quarters to nearly five times their present size. The enormous attendance and success of our public auction sales prompted us to do this. Our new air conditioned galleries will be able to seat 300 people comfortably.

We have also enlarged our personnel with additional experts in order to give you better service.

These additional facilities are available to you whether you are buying or selling coins. If you are contemplating selling your collection at public auction, we remind you that our commission rates are still the same as they were 20 years ago. Our program is capable of properly conducting sales almost weekly. Fall bookings can now be arranged.

When in **NEW YORK CITY**, you are cordially invited to visit our new and enlarged premises.

## *From the President's Desk*

---

The most outstanding numismatic convention in the east is only a few weeks away. The plans have been completed, all arrangements made. New Haven, the Convention City, will wear her Sunday best to greet visiting coin collectors. She is proud of the distinction, having had the first mint in the United States in which THE FUGIO cent, the first officially authorized U. S. coin, was born.

The New Haven Numismatic Society will be Convention host and all New England Coin Clubs will participate.

NENA's two Convention days will be filled with a rich program of illustrated talks, excursions to historical and scenic sights, dealer's Bourse, coin auctions, banquet and just plain fun. There will be exhibits of numismatic objects and a brief business meeting.

No one interested in the hobby of coin collecting and no one who makes numismatics his business can afford to miss this opportunity of meeting and becoming better acquainted with his fellow collectors. Our visitors will come from every part of the country. We will have representatives from the American Numismatic Association, the American Numismatic Society and other organizations.

The success of the 7th Annual Convention of NENA will be due largely to the hard work of the Convention Committee under the guidance of Mr. Walter P. Johnson, its able Chairman, Stack's of New York, who will conduct the auction, A. N. A., who assisted with publicity, American Numismatic Society, who will supply speakers, and every member of the New England Numismatic Association, who by his presence at the Convention, will lend his support.

To all of these my heartfelt thanks.

*Max H. Kuhner, President*  
*The New England Numismatic Association*
